Statement of reasons

This notice, which comes into force on the day after its notification in the *Gazette*, amends the Takeovers Code (Biovittoria Limited) Exemption Notice 2009 (the **principal notice**).

In the principal notice, the Takeovers Panel (the **Panel**) granted an exemption to the trustees of the Avalon Trust from rule 6(1) of the Takeovers Code (the **Code**) in respect of an increase to their voting rights in Biovittoria Limited (**Biovittoria**). The exemption is subject to the condition that the trustees dispose of 100 000 shares in Biovittoria before 1 March 2010. This notice extends the time for compliance to before 1 June 2010.

The Panel considers that it is appropriate and consistent with the objectives of the Code to grant the extension for the following reasons:

- due to the failure of Biovittoria's initial public offering, the market for its shares is considerably less liquid than the Panel had anticipated at the time the exemption in the principal notice was granted;
- the deadline for selling the shares is being extended only for a limited period.

Issued under the authority of the Acts and Regulations Publication Act 1989.

Date of notification in *Gazette*: 4 March 2010.

This notice is administered by the Takeovers Panel.
