Applicants will be sent an account at the conclusion of the Panel's work or on a monthly basis.

3.4 The Panel is aware that applications often need to be dealt with expeditiously and will endeavour to meet the applicant's timeframe. Processing time depends on the nature and quality of the application

and the resources available within the Panel at the time the application is sent. The Panel's decision will be notified to the applicant as soon as possible after it is made.

- 3.5 The Panel endeavours to make a decision on an application for approval to act as an independent adviser within three working days of the date on which the Panel receives all the information required for an application. The Panel executive has a delegated authority to approve independent adviser applications in some cases. This will usually reduce the costs and processing times for applications.

The Panel reserves the right to amend this policy.
