CHAIRMAN'S LETTER

21 November 2012

Dear Shareholder

I am very pleased to make a conditional cash offer (the **Offer**) for all the shares and options in L&M Energy Limited (**L&M Energy**) through a new company I have formed called New Dawn Energy Limited (**New Dawn Energy**).

The Offer is being made at a very attractive offer price of AUD\$0.06 in cash per share. This represents a 43% premium to the closing share price for the shares on the ASX on 17 October 2012, and also a premium to the volume weighted average price of the shares on the ASX over the last one, two and three month periods prior to 17 October 2012 of 40%, 40% and 23% respectively.

The consideration for the options ranges from AUD\$0.0004 to AUD\$0.0599 in cash per option, depending upon the date and terms of issue of each option.

The background to the Offer is that L&M Energy will shortly need more capital.

Shareholders will recall that in June 2012 I injected A\$5 million into L&M Energy by way of a bridging loan facility which subsequently became a convertible note following approval by shareholders on 29 June 2012. The convertible note was necessary because L&M Energy was projected to have expended all of its available funds by mid-2012. I was prepared to support L&M Energy at that time as there were no alternative sources of capital available to it. These funds are expected to suffice until the end of the first quarter in 2013, but beyond this time further capital will almost certainly be needed.

It is possible L&M Energy could seek to raise the additional capital it needs from shareholders by way of a rights issue. However, given current market conditions and the nature of L&M Energy's business as an exploration company, I would fully expect that a rights issue would be very heavily discounted from L&M Energy's current share price and therefore highly dilutive for those shareholders who elected not to participate. Some of L&M Energy's other large shareholders have indicated to me that they would not be prepared to participate in a rights issue and, in fact, would like to exit their investment in L&M Energy. As shareholders will know, the market for L&M Energy shares is highly illiquid meaning that it is not possible for large shareholders to sell their shares on market.

The combination of these factors has led me to conclude that the only real option in these circumstances is for me, through New Dawn Energy, to make a full cash offer for L&M Energy to all shareholders and optionholders. The Offer will provide shareholders with the opportunity to sell their shares in L&M Energy at a significant premium to the current share price rather than face the possibility of investing further or accepting a heavy dilution of their shareholdings.

The Offer is strongly supported by L&M Energy's other key shareholders. Including my shareholding in L&M Energy, 77.16% of L&M Energy's shareholders have committed to accept the Offer unless a higher offer for their shares is received from somebody else before the Offer becomes unconditional.

The Offer is conditional on New Dawn Energy receiving a minimum of 90% acceptances and certain other conditions. Therefore, I would encourage shareholders to accept the Offer as soon as it is made. The Offer includes a withdrawal right. As a result, there is no downside in your accepting the Offer if there is a cash takeover made (or scheme of arrangement recommended by the independent directors of, and announced by, L&M Energy in accordance with the ASX Listing Rules and/or NZSX Listing Rules and any other laws) offering a higher price for 100% of the shares and options on no less favourable terms and conditions than the Offer, prior to the Offer being declared unconditional. The terms and conditions of the withdrawal right are set out in clause 3.8 of this Offer Document. If you accept the Offer, you will not incur any brokerage costs in relation to the sale of your shares.

Making an offer for L&M Energy is not something I have done lightly. However, I believe it is the right thing to do for shareholders and to ensure the continuation of the proud history of L&M Energy as a leading exploration company in New Zealand.

Further details of the Offer are set out in this Offer Document.

Yours sincerely

A handwritten signature in cursive script, appearing to read "G Loudon".

Mr Geoff Loudon
Chairman
New Dawn Energy Limited

discretion, all questions relating to documents, including the validity, eligibility, time of receipt and effectiveness of an acceptance of the Offer. The determination of New Dawn Energy will be final and binding on all parties.

- 3.6 Acceptance of the Offer by an Acceptor constitutes a contract between that Acceptor and New Dawn Energy on the terms and subject to the conditions of the Offer. Other than in the circumstances set out in clauses 2.5, 3.7 and 3.8, acceptances of the Offer are irrevocable and you may not withdraw your acceptance during the time the Offer is open for acceptance, whether or not there has been any permissible variation of the Offer in accordance with the Takeovers Code.
- 3.7 Notwithstanding clause 3.6, New Dawn Energy will be released from its obligations under the Offer, and arising from acceptance of the Offer, if the Offer:
- (a) is withdrawn with the consent of the Takeovers Panel; or
 - (b) lapses as a result of any condition contained in the Offer not being satisfied or waived by the date specified as the latest date for satisfaction of that condition.
- 3.8 If a Shareholder or Optionholder accepts the Offer, it may only withdraw that acceptance in accordance with clause 3.9 if:
- (a) L&M Energy has received a despatch notice (in accordance with rule 45(1)(a) of the Takeovers Code) (the **Despatch Notice**) of a competing full takeover offer (or a scheme of arrangement is recommended by the independent directors of, and announced by, L&M Energy in accordance with the ASX Listing Rules and/or NZSX Listing Rules and any other laws) offering cash consideration at a price per Equity Security greater than the price then offered by New Dawn Energy under the Offer (which price may be varied by New Dawn Energy in accordance with rule 27 of the Takeovers Code) and otherwise on terms (including conditions) no less favourable to Shareholders and Optionholders than those contained in the Offer (the **Competing Offer**); and
 - (b) the Competing Offer is for all the Equity Securities pursuant to a full takeover offer complying with the Takeovers Code (or scheme of arrangement recommended by the independent directors of, and announced by, L&M Energy in accordance with the ASX Listing Rules and/or NZSX Listing Rules and any other laws); and
 - (c) New Dawn Energy does not, during the period commencing on the date on which L&M Energy receives the Despatch Notice and ending on the date which is five business days after the date of receipt by L&M Energy of the Despatch Notice, vary the price of the Offer in accordance with rule 27 of the Takeovers Code such that its varied price is greater than or equal to the price offered under the Competing Offer.

Any withdrawal must be made prior to the date upon which New Dawn Energy declares the Offer unconditional.

- 3.9 A Shareholder and/or Optionholder who accepts the Offer can invoke the withdrawal rights set out in clause 3.8 by completing and returning the relevant enclosed Withdrawal Notice(s) in accordance with the instructions. To be effective, a Withdrawal Notice must be received by New Dawn Energy prior to the date upon which New Dawn Energy declares the Offer unconditional.
- 3.10 Legal and beneficial ownership and title to the Shares and/or Options which are the subject of an acceptance of the Offer shall pass to New Dawn Energy, and the registration of the transfer of those Shares and/or Options shall take place, contemporaneously with the consideration for such Shares and/or Options being sent in accordance with clause 2.3.

- 3.11 The number of Shares and/or Options that a person accepting the Offer may dispose of under the Offer shall be determined by reference to the number of Shares and/or Options held by that person at the Closing Time, as recorded in the share register of L&M Energy.
- 3.12 New Dawn Energy may choose to engage the services of one or more Primary Market Participants (as that term is defined in the NZX Participant Rules) or other financial advisory firms (together the **Brokers** and each a **Broker**) to contact Shareholders and receive Acceptance Forms. If New Dawn Energy chooses to do this, the key terms of engagement will be as follows:
- (a) for each completed and valid Acceptance Form procured by a Broker, New Dawn Energy may pay that Broker a handling or procurement fee in respect of the Shares the subject of the Acceptance Form (the **Procurement Fee**). The amount of the Procurement Fee will be 0.75% of the consideration payable by New Dawn Energy under the Offer to the relevant Acceptor in respect of the Acceptance Form received. The Procurement Fee will be subject to a minimum amount of NZD\$50 and a maximum amount of NZD\$750 for a single Acceptance Form inclusive of GST (if any). Where the Broker completes a single Acceptance Form for one or more Shareholders that it has procured to accept the Offer, the Procurement Fee will be paid in respect of each Shareholder acceptance listed on that Acceptance Form (subject to the provisions of this clause 3.12);
 - (b) the Broker will be paid, and receive, the Procurement Fee solely in connection with its services to New Dawn Energy and must not, directly or indirectly, pass on any or all of the Procurement Fee to any Acceptor, or share the Procurement Fee with any Acceptor;
 - (c) the payment of a Procurement Fee to a Broker in respect of an Acceptance Form procured by that Broker or acceptance (where the Broker completes a single Acceptance Form for one or more Shareholders that it has procured to accept the Offer) is in all respects conditional on the Shares, which are the subject of that Acceptance Form, being validly transferred to New Dawn Energy under the Offer. No Procurement Fees will be payable if the Offer is not declared unconditional by New Dawn Energy. In addition, the Acceptance Form must be delivered to New Dawn Energy in accordance with this Offer Document (including clause 3.2) and must be stamped by the Broker (and only that Broker). A Procurement Fee will not be paid in respect of any Shares acquired by New Dawn Energy through the compulsory acquisition provisions set out in Part 7 of the Takeovers Code;
 - (d) Brokers are precluded from receipt of any Procurement Fee in respect of Shares in which they or their associates have relevant interests;
 - (e) New Dawn Energy may, in determining the Procurement Fee payable to a Broker, aggregate and/or disregard any acceptance of the Offer procured by that Broker if New Dawn Energy believes that a party has structured holdings of Shares for the purpose or with the effect of enabling parties to take advantage of the arrangements set out in this clause 3.12;
 - (f) New Dawn Energy will determine, in its sole discretion, any disputes relating to the payment of a Procurement Fee. The determination of New Dawn Energy will be final and binding on all parties; and
 - (g) no Procurement Fees are payable in respect of any Shares that are subject to a Lock-Up Agreement or are otherwise held by any Locked-Up Shareholder.

4. **Conditions of Offer**

- 4.1 The Offer, and any contract arising from acceptance of it, is conditional on New Dawn Energy receiving acceptances by no later than the Closing Time in respect of Shares that would, upon the Offer being declared unconditional and the relevant Shares being transferred to New Dawn

Energy, result in New Dawn Energy holding or controlling 90% or more of the voting rights in L&M Energy.

4.2 The Offer, and any contract arising from acceptance of it, is subject to the conditions that, during the period from the Notice Date until the date the Offer is declared unconditional by New Dawn Energy:

- (a) no dividends, bonuses or other payments or distributions of any nature have been or are declared, paid or made upon or in respect of any of the Shares or any shares or other securities in any of L&M Energy's subsidiaries (L&M Energy, together with its subsidiaries, the **L&M Energy Group**), other than any dividend or distribution from wholly owned subsidiaries of L&M Energy to other members of the L&M Energy Group;

- (h) no action, dispute, claim, litigation, arbitration or other form of proceedings being notified, threatened or commenced by or against L&M Energy or any other member of the L&M Energy Group (including in respect of any shares, asset (including contractual rights), business operation, property or interest in any joint venture, entity or undertaking) involving a bona fide claim or bona fide claims together totalling in excess of NZD\$1,000,000;
- (i) no liquidator, receiver, receiver and manager, administrator (voluntary or otherwise), statutory manager or similar official is appointed to L&M Energy, or any other member of the L&M Energy Group, or is appointed in relation to any of their respective assets, and no proceedings or other action to appoint any such party is announced in respect of any of them;
- (j) there is no event or circumstance that has occurred on or after the Notice Date that has had, or could reasonably be expected to have, a material adverse effect on the financial position, trading operations, business operations, assets (including contractual rights), liabilities, property or prospects (including future profitability) of L&M Energy or any other member of the L&M Energy Group taken as a whole when compared with the position as at immediately prior to the Notice Date, provided that this shall exclude any events or circumstances that generally affect a person carrying on the business in New Zealand of owning and exploiting, or seeking to exploit, Petroleum Exploration Permits and/or Coal Prospecting Permits; and
- (k) no alteration to the constitution of L&M Energy or any other member of the L&M Energy Group has been, or will be, made.

4.3 The Offer, and any contract arising from it, is further conditional on the Board providing its written agreement to the transfer of all of the Options issued under the Employee Share Option Plans such that all these Options can be transferred by the relevant Optionholder to New Dawn Energy upon acceptance of the Offer by the relevant Optionholder.

4.4 The Offer, and any contract arising from it, is further conditional on:

- (a) L&M Energy and each other member of the L&M Energy Group obtaining all consents required under the Crown Minerals Act in relation to it creating any interest in, or transferring or otherwise dealing with, directly or indirectly, or being deemed or considered by any government authority or the Minister of Energy, for the purposes of the Crown Minerals Act, to create any interest in, or otherwise transfer or deal with, directly or indirectly, any rights, title and interest in any permits, licences or authorisations (including any Petroleum Exploration Permit, Coal Prospecting Permit and any applications for any permits, licences or authorisations) as a result of, or in relation to or connection with, the Offer, any such consent(s) being granted on terms which are usual for the granting of such consent(s); and
- (b) the rights, title and interest of L&M Energy and each other member of the L&M Energy Group in any permits, licences or authorisations (including any Petroleum Exploration Permit, Coal Prospecting Permit and any applications for any permits, licences or authorisations) not being revoked, or threatened to be revoked, by any government authority or the Minister of Energy under the Crown Minerals Act as a result of, or in relation to or connection with, the Offer.

4.5 Each of the conditions set out in clauses 4.1 to 4.4 is a separate condition, and acceptance of the Offer by each Acceptor shall constitute a contract between that Acceptor and New Dawn Energy, subject to those conditions. The Offer will only proceed if all conditions in clauses 4.1 to 4.4 are satisfied or waived, if capable of waiver, in accordance with clause 4.6.

- 4.6 The conditions set out in clauses 4.1 to 4.4 have been inserted for the benefit of New Dawn Energy and may, to the extent they are capable of being waived and to the extent permitted under the Takeovers Code, be waived in whole or in part by New Dawn Energy at its absolute discretion. Any waiver or consent given by New Dawn Energy in respect of any matter or thing shall apply only in accordance with its terms and shall not constitute a consent or waiver in respect of any similar matter or thing.
- 4.7 Where any condition set out in clauses 4.1 to 4.4 requires a determination as to whether a matter is or could reasonably be expected to have material adverse effect or not, is unusual or abnormal or not, is normal or not, is in the normal and ordinary course of business or not, is consistent or not, is of a formal or technical nature or not, is on substantially the same terms or not, is significant or not, is bona fide or not, or any similar determination is required in relation to any such condition, before the condition may be invoked, such determination must be made by a suitably qualified expert jointly appointed by New Dawn Energy and the independent directors of L&M Energy, in any case who is not an associate of New Dawn Energy, prior to New Dawn Energy being able to invoke the condition.
- 4.8 For the duration of the Offer, except where New Dawn Energy will waive any condition set out in clauses 4.1 to 4.4, Mr Geoff Loudon and Mr Greg Hogan intend to abstain from voting on any matter (a **Relevant Matter**) in their capacity as directors of L&M Energy or any other member of the L&M Energy Group, that may cause a condition set out in clauses 4.1 to 4.4 not to be satisfied or fulfilled, as the case may be, so as to ensure that there is no prospect of the fulfilment of any condition set out in clauses 4.1 to 4.4 being in the power, or under the control, of New Dawn Energy or an “associate” of New Dawn Energy (as that term is defined in the Takeovers Code). However, where New Dawn Energy will or has waived the satisfaction or fulfilment of a condition set out in clauses 4.1 to 4.4 in respect of a particular Relevant Matter, Mr Geoff Loudon and Mr Greg Hogan do not intend to abstain from voting on that Relevant Matter.
- 4.9 Immediately following all of the conditions set out in clauses 4.1 to 4.4 being satisfied or waived (to the extent capable of being waived) in accordance with the terms of the Offer, New Dawn Energy will:
- (a) declare the Offer unconditional; and
 - (b) provide written notice that the Offer is unconditional to L&M Energy, the Takeovers Panel, NZX and ASX (the **Completion Notice**).
- 4.10 The latest date on which New Dawn Energy can declare the Offer to have become unconditional is **25 January 2013**, but this date may change if the Offer Period is extended as permitted by the Takeovers Code and this Offer Document (provided the latest date on which New Dawn Energy can declare the Offer to become unconditional may be no later than **5 March 2013**). If the Offer does not become unconditional, it will lapse and all Acceptance Forms received by New Dawn Energy will be destroyed.

5. Changes in circumstances

- 5.1 If, on or after the Notice Date, L&M Energy declares or pays any dividend or makes any other distribution to the Shareholders (and the condition contained in clause 4.2(a) is waived by New Dawn Energy), each Shareholder accepting the Offer will be bound to pay to New Dawn Energy in respect of each Share the subject of the acceptance an amount per Share equivalent to the relevant dividend or the value of the relevant distribution or, at the option of New Dawn Energy, the consideration per Share which would otherwise have been paid to each such Shareholder shall be reduced by an amount equivalent to the per Share amount of the relevant dividend or the value of the relevant distribution.
- 5.2 If, on or after the Notice Date, L&M Energy makes any issue of shares or convertible securities or other securities or grants any other rights or interests in respect of the Shares to its

shareholders by way of bonus issue (and the condition contained in clause 4.2(b) is waived by New Dawn Energy), each Shareholder accepting the Offer will be bound to transfer all such shares, convertible securities, other securities or other rights and interests issued or granted to such Acceptor to New Dawn Energy and the consideration per Share or Option provided for under clause 2 will be reduced to take account of such issue.

- 5.3 If, on or after the Notice Date, all or any of the Shares or Options are consolidated or subdivided (and the condition contained in clause 4.2(b) is waived by New Dawn Energy), the Offer will be interpreted to take into account such consolidation or subdivision and the consideration per Share or Option (as applicable) provided for under clause 2 will be increased or reduced, as the case may require, in proportion to such consolidation or subdivision, and the Shareholders and the Optionholders accepting the Offer will be bound to transfer such consolidated or subdivided Shares and/or Options to New Dawn Energy on the basis of the consideration so increased or reduced.
- 5.4 If, on or after the Notice Date, L&M Energy makes any issue of shares to any person other than by way of bonus issue (and the condition contained in clause 4.2(b) is waived by New Dawn Energy), then the Offer will be deemed to extend to and include such shares and the consideration payable for them will be as provided for under clause 2.

6. Notices

6.1 Notice to L&M Energy, the Takeovers Panel, ASX and NZX:

- (a) declaring the Offer unconditional; or
- (b) advising that the Offer is withdrawn in accordance with the Takeovers Code or has lapsed in accordance with its terms,

in each case, will be deemed to be notice to all Shareholders and Optionholders and will be deemed to be given on the day of notification to NZX.

6.2 Notice of any variation of the Offer will be sent to each Shareholder, Optionholder, L&M Energy, the Takeovers Panel, NZX and ASX in accordance with the Takeovers Code unless (and to the extent that) such notice is not required to be given under the Takeovers Code.

7. Method of settlement

7.1 No acknowledgement of the receipt of acceptances of the Offer will be issued.

You should review the information in the Acceptance Form(s) in relation to receiving the consideration by each payment method. Shareholders who hold their Shares in a CHESS holding will receive their consideration by cheque only.

7.3 If the Offer does not become unconditional, the Offer will lapse.

7.4 By accepting the Offer you will be deemed to:

- (a) represent and warrant to New Dawn Energy that:

- (i) title to each of your Shares and/or Options (and to all other securities referred to in clauses 5.1 to 5.4) will be transferred to New Dawn Energy free of all charges, liens, mortgages, encumbrances and adverse interests and claims of any kind, but together with all rights attaching to them, including the right to all dividends and other distributions arising after or by reference to a date occurring on or after the Notice Date; and
- (ii) you have full power and capacity to sell and transfer your Shares and/or Options (and all other securities referred to in clauses 5.1 to 5.4);
- (b) authorise New Dawn Energy to advise L&M Energy and/or its share registrar of the details of your acceptance of the Offer and to note the L&M Energy share register of that acceptance; and
- (c) authorise New Dawn Energy to effect any rectification of any Acceptance Form in the manner contemplated in clause 3.5.

7.5 Subject to clause 3.8, each Acceptor:

- (a) will not, and will not attempt to, sell, transfer, dispose of (or agree to do any of those things), any or all of the Shares and/or Options in respect of which the Acceptor has accepted the Offer; and
- (b) irrevocably authorises New Dawn Energy to instruct L&M Energy to register any transfer of any or all of the Shares and/or Options in respect of which the Acceptor has accepted the Offer.

 - (i) be made at a price of not less than AUD\$0.06 per Share and AUD\$0.0004 to AUD\$0.0599 per Option; and

- (i) the Lock-Up Agreement is terminated; or
 - (ii) the Offer lapses; or
 - (iii) it has exercised its right to withdraw its acceptance of the Offer (which right to withdraw is subject to the same terms and conditions as set out in clause 3.8 of the Terms and Conditions of the Offer),

it will not dispose of, or deal in any way with (including granting an interest in or encumbering) any of its Shares, except to accept the Offer.

9. Arrangements to pay consideration

New Dawn Energy confirms that resources will be available to it sufficient to meet the consideration to be provided on full acceptance of the Offer and to pay any debts incurred in connection with the Offer (including debts arising under rule 49 of the Takeovers Code).

A statement setting out the rights of each offeree under rule 34 of the Takeovers Code to withdraw acceptances for non-payment by New Dawn Energy of the consideration is set out in clause 2.5 of the Terms and Conditions of the Offer.

10. Arrangements between New Dawn Energy and L&M Energy

No agreement or arrangement (whether legally enforceable or not) has been made, or is proposed to be made, between New Dawn Energy or any associates of New Dawn Energy, and L&M Energy or any related company of L&M Energy, in connection with, in anticipation of, or in response to, the Offer, other than a confidentiality agreement dated 10 September 2012 between L&M Energy and Mr Geoff Loudon under which Mr Geoff Loudon agreed to keep confidential certain information disclosed to him by L&M Energy.

Although not an agreement or arrangement in connection with the Offer, for completeness, Mr Geoff Loudon has agreed to provide L&M Energy with a letter of support in relation to the 2012 Block Offer. The purpose of this letter is so that L&M Energy can, as part of any application in relation to the 2012 Block Offer, provide evidence of access to sufficient funding for its work programme obligations.

11. Arrangements between New Dawn Energy, and directors and officers of L&M Energy

Other than as described below, no agreement or arrangement (whether legally enforceable or not) has been made, or is proposed to be made, between New Dawn Energy or any associates of New Dawn Energy, and any of the directors or senior officers of L&M Energy or of any related company of L&M Energy (including any payment or other benefit proposed to be made or given by way of compensation for loss of office, or as to their remaining in or retiring from office) in connection with, in anticipation of, or in response to, the Offer.

No agreement or arrangement has been made, or is proposed to be made, under which L&M Energy or any related company of L&M Energy will give (directly or indirectly) financial

assistance for the purpose of, or in connection with, the Offer. If New Dawn Energy acquires 90% or more of the voting securities in L&M Energy, New Dawn Energy may cause L&M Energy and the members of the L&M Energy Group to provide guarantees and/or securities over their assets to secure New Dawn Energy's ongoing obligations to its lenders.

13. Likelihood of changes in L&M Energy

If New Dawn Energy declares the Offer unconditional, it intends for L&M Energy to operate substantially as it has been operated to date.

If New Dawn Energy becomes entitled to invoke the compulsory acquisition provisions of the Takeovers Code, it will move to compulsorily acquire all outstanding Equity Securities, and delist L&M Energy from the NZSX and ASX.

Although the foregoing represents New Dawn Energy's current intentions in relation to L&M Energy's business, New Dawn Energy reserves the right to take any other action or pursue any other strategy in relation to L&M Energy's business as New Dawn Energy obtains input from L&M Energy's management on those plans and depending on the business and economic environment and any relevant circumstances post-acquisition.

14. Pre-emption clauses in L&M Energy's constitution

There is no restriction on the right to transfer Equity Securities to which the Offer relates contained in the constitution of L&M Energy which has the effect of requiring the holders of the Equity Securities to offer the Equity Securities for purchase to Shareholders or to any other person before transferring the Equity Securities.

There are restrictions on the right to transfer the Options issued under the Employee Share Option Plans. As set out in clause 4.3 of the Offer Terms and Conditions, the Offer, and any contract arising from it, is further conditional on the Board providing its written agreement to the transfer of all of the Options issued under the Employee Share Option Plans such that all these Options can be transferred by the relevant Optionholder to New Dawn Energy upon acceptance of the Offer by the relevant Optionholder.

There are restrictions on the right to transfer the Consideration Options which are subject to deferred vesting terms.

15. No escalation clause

There is no agreement or arrangement (whether legally enforceable or not) under which:

- (a) any existing holder of Equity Securities will or may receive in relation to, or as a consequence of, the Offer any additional consideration or other benefit over and above the consideration set out in the Offer; or
- (b) any prior holder of Equity Securities will or may receive any consideration or other benefit as a consequence of the Offer.

16. Independent Adviser's Report

The consideration and terms offered for each class of Equity Securities have been calculated to be fair and reasonable in compliance with rule 8(4) of the Takeovers Code in the following manner:

Northington Partners Limited (**Northington Partners**) has been appointed as an independent adviser for the purposes of verifying that, in its opinion, the consideration and the terms offered for each class of Equity Securities are fair and reasonable in relation to the other classes of Equity Securities. A copy of Northington Partners' full report will be sent to you with L&M

Energy's target company statement. The Offer should be read in conjunction with Northington Partners' report and with the report obtained by L&M Energy on the merits of the Offer.
